Acknowledgement

The real spirit of achieving a goal is through the way of excellence and lustrous discipline. I would have never succeeded in completing my task without the cooperation, encouragement and help provided to me by various personalities.

First of all, we would like to thank our principal **Dr. S. S. Prabhune**, who provided with the necessary facilities and advice. We are also thankful to **Prof. Paranjape** Sir, Head of Computer Department for this valuable suggestions and support. With great pleasure we are really thankful to guide **Prof. S. M. Inwate** for his valuable suggestions, support and sincere guidance for the completion of this project.

Also, I would like to thanks to all teaching and non-teaching staff of the department for their encouragement, cooperation and help. My greatest thanks are to all who wished me success especially my parents, my friends whose support and care makes me stay on earth.
